

OPTICWIN TRAINING PLANS

ADVANCED TRAINING

We analyse the context and identify the training needs. We organise and manage the tailor-made training initiative, according to the client's needs.

Training time: 3h

Location: to be determined*

Price on request

INTENSIVE TRAINING

With this plan, We have developed a complete training program for new users of the program. This model is based on a mini-course of 12 hours, distributed over 2-hour sessions, to be determined according to the availability of the participants. The trainee will be able to work with all Opticwin's features.

Training time: 12 hours (Six 2 hour sessions)

Location: to be determined*

Price on request

MODULAR TRAINING

This is a specific training initiative about a programme's features. The duration time of the initiative will be calculated by means of the desired module and the level of training.

Location: to be determined*
